

SWACHHTA HI SEVA-2019

MCL

1. Description of activity: An awareness programme on 'No Use of Plastic Bag and Solid Waste Management' was organised by Lakhanpur Area, MCL at the Bandhabahal High School, on the occasion of 'Swachhata Hi Seva Campaign', involving students of class VIII, IX & X of the school.

Students and teachers actively participated in attending the Awareness Programme, sharing information and knowledge on these thematic matters/topics of 'No Use of Plastic Bag and Solid Waste Management'.

Students were sensitised by the resource person of Lakhanpur Area, MCL about the disadvantages of using plastic bags, effects on the planet Earth and environment & also about the advantages of discarding plastic bags.

Students also shared their knowledge & experience on use of plastics & its effect on people & planet. They were also sensitised about 'Solid Waste Management' - proper waste segregation, proper waste disposal in proper dustbin and use/recycle of waste. In this regard also students answered lot of things when they were asked questions or asked to speak voluntarily on this matter.
