g) **Event Description:** An inter-regional cultural competition was held at Salanpur Area. Nearly 28 events were organized through two platforms at the program venue Salapur Guest House premises. Participants from different sectors enthusiastically performed their performance in a coordinated manner. Seven music expert members of the judging board submitted their decision after assessment of the competition. After which winning participants from different sectors of ECL were awarded. As well as all participants who participated were also given mementos. In this cultural competition, Satgram Area was awarded first and Sodepur Area Awarded as second position. On the occasion General manager of satgram and Sodepur Area commenced in this program. Director Personnel of ECL Mrs. Ahuti Swain addressed the audience while attending the ceremony and said the salanpur area conducted that cultural program smoothly and during the busy time of the end of fiscal Year, and also said that it was a commendable work 5 that has been done. She further added that such a Cultural program gives mental shape and peace to the worker and helps to refine them and further they can uplift their thoughts.

Activity 109.2

- a) **Name of the Event:** Sports Kit Distribution in CCDP-Utthan@MCL
- b) **Event Type:** External
- c) **Event Mode:** Offline
- d) **Theme:** Resolve@75
- e) **Event Photographs:**

- f) **Event Date:** 10.04.2023

- g) Event Description:** CCDP-Utthan is a community development initiative of MCL CSR with BAIF development Research Foundation. BAIF works with the mission of creating opportunities of gainful self-employment for the poor rural families, especially the disadvantaged section and ensuring their sustainable livelihood. Under our support to education and sports we distributed sports kits in the school Basiapada school, hatibari, sambalpur on 5th April, 2023 (Wednesday). This will help to ignite interest of school going children in sports along with their involvement in physical activities. It will keep them healthy and physically fit. We are looking forward to organizing more events like this in future with more frequency and a broad area of interventions. Sports kits distributed among players to ensure they have necessary gear and equipment for their respective sports activities.

Activity 109.3

- a) Name of the Event:** Brain-storming session (Kaizen) on scope of improvement/ achievements in respect of Mines/Workshops/Departments/Establishment@SECL
- b) Event Type:** Internal
- c) Event Mode:** Offline
- d) Theme:** Resolve@75
- e) Event Photographs:**

- f) Event Date:** 07.04.2023
- g) Event Description:** Kaizen is a Japanese philosophy of continuous improvement, emphasizing small, incremental changes that lead to significant improvements in quality, efficiency and productivity. Organization of brainstorming session (Kaizen) on 07.04. 2023 was organized on the occasion of Amrit Mahotsav of Independence. In which talks were organized with all the heads of departments and employees

regarding the improvement done in all the departments with coordination between different departments and how to get the work done easily and quickly.

In which the heads of all the departments have their own suggestions and the employees also keep their point for improvement. Along with this, a brainstorming session (Kaizen) was organized in relation to improvement in the establishment in various units of Johilla area (Pali Mine, Vindhya Mine, Kanchan OCM, Nowrozabad Mine, Umaria Mine, Pipariya Mine).

Activity 109.4

- a) Name of the Event:** Campaign to highlight country's struggle for independence@WCL
- b) Event Type:** External
- c) Event Mode:** Offline
- d) Theme:** Resolve@75

e) Event Photographs:

f) **Event Date:** 09.04.2023

g) **Event Description:** Under the aegis of Azadi ka Amrit Mahotsav, on 09.04.2023, employees of Majri organized a Pathanaty (Street Play) in Palasgaon village to commemorate India's 75 years of independence. The play aimed to educate and inspire the local community about the importance of freedom and unity in the nation's progress.

The play depicted the struggles of India's freedom fighters and their sacrifices in achieving independence. It also highlighted the challenges faced by the country

today and urged citizens to work together towards a brighter future. The actors portrayed their roles with passion and enthusiasm, captivating the audience and inspiring them to take action.

The street play was an effective way to reach out to the local community and educate them about the significance of India's independence. It also served as a reminder of the responsibilities of every citizen in shaping the future of the nation. Overall, the play was a fitting tribute to India's journey towards freedom and a call to action for its citizens to uphold its values.

Activity 109.5

- a) **Name of the Event:** Portable RO water purifiers of capacity 500 liters each were installed @CMPDIL
- b) **Even Type:** External
- c) **Event Mode:** Offline
- d) **Theme:** Resolve@75

- b) **Event Type:** External

- c) **Event Mode:** Offline
- d) **Theme:** Resolve@75
- e) **Event Photographs:**

f) Event Date: 07.04.2023

g) Event Description: Kalyani Mahila Samiti under Block B area of Northern Coalfields Limited (NCL) on Thursday, 07/04/2023, organized health and hygiene counseling camp for students at Saraswati Gyan Mandir School, Gorbi under the guidance of President Mrs. Shahnaz Gauri

This camp was organized with the aim of creating awareness amongst school-going students about physical, emotional, physical and practical health including all aspects of their reproductive health

During this camp, girls studying in class six to eight were given basic information about menstruation and hygiene. Essential medicines, sanitary napkins and tonic were distributed at no charge to 20 girls benefited during this time

On this occasion, Committee Chairman Mrs. Shahnaz Gauri and Dr. Neetu Ji Mohan Medical Officer Central Hospital, Singrauli gave health information and advice to the girls as well as informed about the crimes against the children and their prevention measures

Along with this, they informed students about essential activities of sex education and reproductive health. Information about changes experienced during teenage, helpful information in eliminating genital and other misconceptions, in adolescence, healthy and healthy sexual activities and sexual diseases and prevention etc

It is noteworthy that several such works have been carried out in the surrounding areas for progressive development of health, education, skill development, women empowerment by the Kalyani Women's Committee.

Activity 109.7

a) Name of the activity : Installation of bench desk in schools.

b) Event Type : External

c) Event Mode : Offline

d) Event Theme : Resolve@75

e) Event Date : 03.04.2023

f) Event Description : On 03.04.2023, 40 number Bench desk were installed at Maheshwari girls school Ranchi. Financial aid was provided to the school for helping the school administration to upgrade their classrooms by installing 40 bench desks for the girl students who come to attend the school and from nearby areas. Maheshwari girls school Ranchi, provides and caters to the need of quality education to the girl students who belong to the marginalized section of the society.

Classroom furniture is very important and essential and also impacts to how the students learn in the school.

The provision of new bench desks will motivate the students to attend school as now the students will have proper ergonomic support. This will stimulate focus and attention of the students towards the board as it builds a positive classroom environment.

Activity 109.8

- a) Name of the activity : Coal India supported Blind People Association with Braille Embosser
- b) Event Type : External
- c) Event Mode : Offline
- d) Event Theme : Action@75, Self reliance
- e) Event Description :

The Blind Persons' Association recently inaugurated a Braille Embosser, which was supported under Corporate Social Responsibility (CSR) for an amount of Rs. 31,51,220/-. The Braille Embosser is a device that can translate text into Braille and emboss it onto paper, allowing visually impaired individuals to read and access information easily.

The inauguration ceremony was a significant milestone for the Blind Persons' Association, as it marked the organization's commitment to improving the lives of the visually impaired. The Braille Embosser is expected to be a valuable asset in the education and training of visually impaired individuals, providing them with the necessary tools to read and learn independently.

The CSR initiative that funded the Braille Embosser is a testament to the power of corporate social responsibility in creating a positive impact on society. It is essential that more companies take up such initiatives and invest in programs that benefit marginalized communities.

Overall, the inauguration of the Braille Embosser marks a significant step towards creating a more inclusive society, where individuals with disabilities can access education and information with ease. The Blind Persons' Association must be commended for their efforts in ensuring that visually impaired individuals are not left behind in the age of information and technology.
