

**AKAM Activities by CIL and Subsidiaries**  
**Week-25 (23.08.2021-29.08.2021)**

**1. BCCL**

Safai Karmies have been the backbone in our fight against COVID-19 right from the beginning. With their dedicated and continuous efforts, BCCL has been able to provide uninterrupted services in its COVID-19 hospitals, Quarantine Centres, Offices, Mines and Colonies. A vaccination drive was organized at Ambedkar School of Martial Arts, Jagjeevan Nagar, Dhanbad on 27.08.2021 in which 247 Safai Karmies were vaccinated with their first dose of COVISHIELD. Under the ongoing “Azadi ka Amrit Mahotsav” celebrations in BCCL, the vaccinated Safai Karmacharis were each handed over an envelope containing a bottle of hand sanitizer along with one reusable cotton face mask. Total 300 hand sanitizers and face masks were distributed on the occasion.

This event could be organized under the visionary leadership of Sri P.V.K.R.M Rao, Director (P), BCCL with coordinated efforts of Shri S.K. Kant, Civil Surgeon, Dhanbad, Shri Anil Bansfor, President of Ambedkar School of Martial Arts and BCCL team.

Additionally, the occasion was graced by Shri D.C. Das, Deputy Development Commissioner (Dhanbad), Shri Lalan Choubey, Shri Vijay Jha, Shri Sarju Rai, Shri Uday Singh, leaders of INTUC etc.

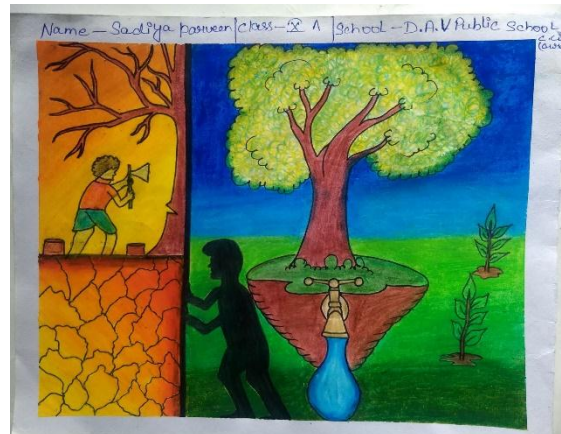

## **2. CCL**

Under the Program "Azadi Ka Amrit Mahotsava", a school level painting competition was organised on the theme of "Drinking water/ water conservation" by the team of Dhori area of CCL amongst the students of DAV School.

The school level competition will help instil the spirit of AKAM for 75<sup>th</sup> Independence among the young children. 25 Students participated in the said competition.

### 3. ECL

The distribution of bags is a week-long drive and different locations will covered in distribution. A dedicated e-rickshaw flagged with AKAM banner will move along the distribution team to spread the message of Green Energy. 120 nos of Jute bags have already been distributed till date.

The campaign will spread a message of Azaadi ka Amrut Mahotsav along with encouragement among users to switch to eco-friendly options like jute and cloth with reduction in Single use plastic for day to day purpose.

## 5. CMPDIL

Intensive tree plantation was done by CMPDI Regional Institute 5 Bilaspur on 24-08-2021 in connection with the celebration of Amrit Mahotsav of India's independence.

The Regional Director of CMPDI Institute-5, Shri I.D. Narayan and other officers and employees planted 40 fruit trees in the courtyard of the Meteorological Department located at village Bahatrai.

In his statement, Shri Narayan said that we have to make the theme of Amrit Mahotsav "Go Green, Drink Clean". The society should get clean water and the environment should be pure and protected, it is the responsibility of all of us and our institution will always work for this.

Meteorologist Shri Das was also present in the program and took a pledge to preserve and promote the planted plants.

## 6. NCL

Shri PK Sinha, CMD, Northern Coalfields Limited (NCL) met the scientists of the Council of Scientific and Industrial Research - National Environmental Engineering Research Institute, (CSIR-NEERI) Nagpur on Friday and discussed the various initiatives being taken towards environmental betterment in Singrauli region. aspects discussed.

This visit of CMD to CSIR-NEERI reiterates NCL's sensitivity towards Singrauli Zone environment. NCL's coal production is also increasing continuously with the increasing energy requirements of the country, in this direction, the scientists of CMD NCL and CSIR-NEERI have taken the preparations to keep the ecological balance, ecosystem at the core and to move towards sustainable development.

There was a discussion between CSIR-NEERI is preparing an analysis report for environmental betterment by studying the mines of Singrauli and NCL. Simultaneously, NCL is also exploring the possibility of setting up a central and large specialized nursery in association with CSIR-NEERI. NCL is very sensitive towards the environment in its

surroundings, which is taking large scale tree plantation and many other measures. Along with this, it is also working in collaboration with top institutes of the country like CSIR-NEERI, IIT BHU, FRI, IIMM. It is worth mentioning that NCL recently took active part in tree plantation drive and planted more than 1 lakh saplings.

## 7. MCL

During the 25th week, Smokeless Chulahs are distributed to the villagers in Langdi in Angul District. Comprehensive Community Development Programme- Utthan, a CSR initiative of Mahanadi Coalfields Limited, Sambalpur, is being implemented by BAIF Development Research Foundation in four districts of Odisha namely Angul, Sambalpur, Jharsuguda and Sundargarh.

Under the programme, one of the component is identifying households dependent on firewood as the main cooking fuel were supported with smokeless chulah to avert the lying risk of bad air and health factors associated with it. Awareness were made to this effect in the programme. The project is implemented in 40 villages in the mentioned four districts, and 200 smokeless chulah have been distributed to the beneficiaries identified. Beneficiaries are mainly those who are in BPL category and those who have no access to LPG gas and who are heavily depended on fire wood.

### **The main objectives of the intervention are**

1. Replacements of the traditional chulahs with portable cooking stoves thus delivering 65% fuel savings and 70% smoke reduction
2. Enable clean cooking for rural households
3. Minimize indoor pollution & improve their health.
4. Prevent the rural women from walking long distance in the forest for collect the firewood.

5. Better health and savings of rural households
6. Contribute towards climate change mitigation
