4. NCL

Under the direction of the Government of India, under this campaign, cleanliness works are being done on a large scale in all the coal fields and units of NCL at workplace, mine premises, workshop, residential complex and other public places. Along with this, workers, contract workers and nearby citizens are also being made aware about keeping their surroundings clean. Extensive fogging / sanitization is also being done in all the important places in NCL. Along with this, banners, hoardings etc. have also been put up at various places to make people aware of cleanliness.

Webinars and various competitions being organized on cleanliness

Online webinars and various competitions like essay writing, speech, slogan writing, poster, painting competition etc. are being organized for the employees and school children in coal fields of NCL based on Swachhata Hi Seva campaign.

With the aim of making the students aware about the importance of cleanliness in the company funded schools, they are being motivated to keep their surroundings clean. Along with this, cleanliness pledge is also being administered to all the students. NCL personnel, teachers and school children are also making people aware of cleanliness by taking out rallies.
