- g) Brief Description of Event - Economic developmental activities and environmental conservation has to be managed and dealt with a balanced approach and apparently they both move in-tandem. Intrinsically, mining activities create dust generation points which has to be mitigated to protect natural surroundings and human health. As a part of #AzadiKaAmritMahotsav, WCL Umrer Area have decided to take a technology driven approach to protect environment by introducing 10 nos. Movable Long Range Fog Canon with 100m throw at MakardhokadaOpenCastMine. These Fog Canons spray fine mist over the dust generation points over a long range leading to better dust suppression measures. Moreover, this method also conserves water compared to other water sprinkling approaches. Shri Diwakar Gokhale, AGM Umrer Area and Dr PR Sakhre Scientist E/Additional Director from MoEF&CC, Govt of India have inspected the the Canons.

#### **Week 46.10**

- g) Brief Description of Event - Director (Finance/Personnel) NCL visited Birkuniya Satellite Center Monitored the progress of campaign Kisanganga, distributed blankets to the needy.

Shri Ram Narayan Dubey, Director (Finance/Personnel) of Northern Coalfields Limited (NCL), a Miniratna Company of Government of India, visited the Community Center constructed under NCL CSR at Birkuniya on Saturday. NCL has established satellite center and agri clinic with the technical support of NCL-IIT BHU Incubation Center here with the objective of strengthening the local rural economy and increasing the income of farmers under the project “Kisanganga”. From here, local farmers can get information on agriculture related topics from reputed agricultural experts of the country through video conferencing. During this, Mr. Dubey also distributed 315 blankets under AKAM to the local needy people present there and interacted with the local public representatives and farmers.

Addressing the farmers, Mr. Dubey said that the NCL management is committed for the holistic development of the local farmers and all possible help will be provided to the farmers. During the program General Manager (CSR), NCL Shri AK Singh and other CSR officers, local public representatives and a large number of villagers were present.

**Poultry farm visit**

In this episode, Mr. Dubey also visited the poultry farm running under NCL CSR in Birkuniya Baiga Basti and interacted with the women operating it. It is worth mentioning that NCL has provided direct employment through poultry farming to 584 tribal women of Adivasi Baiga Basti so far under Social Corporate Responsibility. Along with this, the process of making more than 160 other tribal families financially self-supporting is going on by connecting them with this scheme.
