## **SCCL Report-Azadi Ka Amrut Mahotsav**

Week 48 (from 31.01.2022 to 06.02.2022)

### **" Cancer Awareness Programme among employees (World Cancer Day on 4th Feb.) "**

The 48<sup>th</sup> Week programme of **Bharat Ka Amrut Mahotsav** was scheduled as "**Cancer Awareness Programme among employees (World cancer day on 4<sup>th</sup> February)**" *was organized in SCCL from 31.01.2022 to 06.02.2022.*

The primary objective of World Cancer Day is to raise awareness of cancer and to encourage its prevention, detection and treatment.

At Yellandu Area, Cancer Awareness Programme was organized at Area Hospital. Dr. Malla Reddy has addressed the employees that "Cancer is an abnormal growth of cells. It may arise from any part of the body. It is made up of tiny cells that have lost the capacity to stop growing. This lump grows and has the ability to spread and involve areas other than the primary area.

In Mandamarri Area , Cancer Awareness Programme among employiyees organized on 04.02.2022 at RKPOC , Mandamarri Area. The programme Chief Guest DYCMO, Dr. Smt USHA addressed that World Cancer Day is observed annually on 4<sup>th</sup> February every year to spread awareness and education about the disease and to prevent millions of deaths each year across the world. She further added that Cancer can affect any organ of the body and the signs and symptoms may vary depending on the area of involvement. Dr. Ram mohan (Chest physician )Area Hospital, Ramakrishnapur has explained about the various cancers and specific signs of some common cancers to the employees.
