**SCCL Report-Azadi Ka Amrut Mahotsav**  
Week 49 (from 07.02.2022 to 13.02.2022)

**"Awareness programme on plastic waste management"**

The 49<sup>th</sup> Week programme of Azadi Ka Amrut Mahotsav was scheduled as "Awareness programme on plastic waste management" *was organized in SCCL from 07.02.2022 to 13.02.2022.*

The importance of the programme is to create awareness among the employees to know adverse effects of plastic on the environment and health.

In Mandamarri Area, "Awareness programme on plastic waste management" was conducted at GM Office. The Chief Guest of programme Sri Chintala Srinivas, G.M has explained about the negative impacts of plastic on human life as well as on wildlife and marine life. He told that Plastic is non-bio-degradable and thus causes pollution. Burning plastic diffuses harmful smoke. Plastic also emits some radiation. Plastic bags can prove to be a choke hazard for small animals. Plastic bags pollute not only water but also land.

He appealed to all the employees not to use plastic bags as they are toxic and highly responsible for climatic change. They can also causing a harmful ecological imbalance that can have severe effects on our health. He also explained how to control the plastic waste and minimize the impact of plastic pollution in the environment by adopting environmental-friendly disposal methods
