SCCL Report-Azadi Ka Amrut Mahotsav

Week 52 (from 28.02.2022 to 06.03.2022)

“Observing National Science Day (India) - Conducting essay writing competitions to Students on National Science Day”

The 52nd Week programme of Azadi Ka Amrut Mahotsav was scheduled as **"Observing National Science Day (India) - Conducting essay writing competitions to Students on National Science Day"** and organized in SCCL from 28.02.2022 to 06.03.2022.

"National Science Day (India)" programme was organized in Singareni High School, RG-II Area. Sri Purushotham, Head Master addressed the students about the importance of Science and technology in India. He explained that Sir C V Raman discovered Raman Effect on 28th February 1928, so National Science Day is celebrated in India every year on 28th February in order to inspire people the importance of Science and Technology.

On the occasion of the "National Science Day (India)", various Science Models prepared by the students were exhibited in the Schools and the prizes were distributed to the Best Models. The Quiz and essay writing competitions on "Use of Science in Daily life" were also conducted to the students and prizes were distributed to the winners.
