75 Azadi Ka Amrit Mahotsav **CELEBRATING 75 YEARS OF INDIA'S INDEPENDENCE**

SCCL Report-Azadi Ka Amrut Mahotsav

Week 62 (from 09.05.2022 to 15.05.2022)

“Corporate Social Responsibility (CSR) - Distribution of Environment friendly Cloth/Jute bags”

* * *

62nd Week programme of Azadi Ka Amrut Mahotsav "Awareness Programme on Women Hygiene/Health camp in nearby villages" was changed as " Corporate Social Responsibility(CSR)-Distribution of Environment friendly cloth/Jute bags" and organized in SCCL from 09.05.2022 to 15.05.2022.

In Yellandu Area General Manager Sri M.Shalem Raju has inaugurated the programme and addressed the necessity of replacing plastic by jute. He told that Plastic is not a biodegradable material and harm the lives. It takes nearly 500 years to disappear from the environment.

Plastic pollution is increasing day by day which is dangerous to the well-being of the planet, and also to eco system. To reduce Plastic pollution, other alternatives must be encouraged. One potential replacement is jute, a vegetable fibre and also a material which is readily available, biodegradable and affordable. When plastic is left in the environment, it releases toxic compounds which are very harmful to living species.

Jute, on the other hand, removes carbon dioxide, one of the major greenhouse gases contributing to global warming.

Later, he distributed jute bags to the employees. All employees have participated in the programme.
