CELEBRATING **75** YEARS OF INDIA'S INDEPENDENCE

SCCL Report-Azadi Ka Amrut Mahotsav

Week 66 (from 06.06.2022 to 12.06.2022)

Telanganaku Haritha Haram - Plantation activity - Distribution of fruit bearing, medicinal plants to employees and nearby people

* * *

66th Week programme of Azadi Ka Amrut Mahotsav was scheduled as "Telanganaku Haritha Haram - Plantation activity - Distribution of fruit bearing and medicinal plants to employees and nearby people" and organized from 06.06.2022 to 12.06.2022 in SCCL.

The programme was organized at General Manager Office, Yellandu Area. Sri M. Shalem Raju, General Manager has addressed the significant role of trees. He told that the most important tasks of trees are to manage and modify the climate. To keep the climate under control, they mitigate the impacts of the sun, rain, and wind. Pollutants such as carbon monoxide, nitrogen dioxide, and sulphur dioxide are absorbed by them there by purifying the air. Trees may control and affect wind speed and direction to maintain a balanced environment.

Environment Officer Sri Dhanunjaya Reddy addressed that because of urbanisation, removing the trees which leads to severe problems such as eco-imbalance polluted air. The "Tree Plantation" becomes a long-term solution to such problems. Vehicle exhaust, wood and coal combustion, factories and industries emitting hazardous pollutants and greenhouse gases into the atmosphere. To make our world greener and better, more trees must be planted as a collective effort by all of us to save the planet. Everyone should be aware of the importance of plantation and should motivate and encourage others to do the same. We must pay more attention on plantation in the future. Individual contributions should be made first. We should also put a stop to tree cutting and remember that without trees, there will be no life.

All officers, Trade Union Leaders and staff have participated in the above programme. The above programme also organized in all areas of SCCL.

Sri M. Shalem Raju, General Manager (Yellandu) has addressed the significant role of eco-system

Distribution of plants to the employees by Sri M. Shalem Raju, General Manager (Yellandu)
