- a) **Event Name:** Celebrating highest coal production @BCCL
- b) **Event Type:** Internal
- c) **Event Mode:** Offline
- d) **Theme:** Achievement@75
- e) **Event Photographs:**

f) **Event Date:** 30.09.2022

g) **Event Description:**

Coal is the most important and abundant fossil fuel in India. It accounts for 55% of the country's energy need. The country's industrial heritage was built upon indigenous coal. Commercial primary energy consumption in India has grown by about 700% in the last four decades. Coal plants have accounted for 70 to 80 per cent of the country's total power generation. This share is estimated to remain above 50 per cent even in 2030. BCCL created a new history by achieving its highest coal production at 2.73 Million Tonne in the month of September, 2022. With this, BCCL has achieved 118% of its coal production target, with 31.30% growth rate from last year. BCCL strives to be the driver of the Nation's growth and ultimately achieving its goal of an Atma Nirbhar Bharat.

Activity 82.2.1: CCL

- a) **Event Name:** Concluding ceremony of free cow rearing training for the first time in CCL under CSR by NK Region
- b) **Event Type:** External
- c) **Event Mode:** Offline

f) Event Date:

g) Event Description: The conscious effort of keeping public spaces clean and sanitary with the addition of individuals maintaining their own personal hygiene can significantly improve the growth and quality of life in communities. It can also reduce the risk in different chronic diseases being spread amongst the population. Preventing surface contamination and maintaining adequate cleaning and disinfection conditions in public places is essential to mitigate the transmission of the virus and protect the health of workers and the general public. In a special Swachhta Abhiyan 2.0 , NCL took the pledge of cleaning the public places of historic importance. Under special campaign, with the help of District Administration, NCL helped in cleaning of Manikarnika Ghat, Agra Fort

and adjoining areas in a three day drive from 27th September-29th September 2022.

Activity 82.7 WCL

- a) **Name of the event :** Fit India Freedom Run on occasion of Mahatma Gandhi Jayanti
- b) **Event Type:** Internal
- c) **Event Mode:** Offline
- d) **Theme:** Action@75
- e) **Event Photographs:**

f) Event Date: 02.10.2022

g) Event Description: Govt. of India has launched FIT INDIA Movement on August 2019 to make fitness an integral part of our daily lives. The mission of the Movement is to bring about behavioral changes and move towards a more physically active lifestyle. Towards achieving this mission, the third edition of the Campaign Fit India Freedom Run 3.0 began on 2nd October, 2022. As part of Azadi ka Amrit Mahotsav, WCL has enthusiastically participated in the Campaign with several areas organizing Fitness Run/Plog Run and Rallies on 2nd October, 2022 on occasion of Mahatma Gandhi Jayanti. The aim of the campaign is to promote fitness as easy, fun and free, to spread awareness on fitness and various physical activities that promote fitness through focused campaigns. WCL has taken the campaign to nearby schools too, where student enthusiastically participated in Fit India Freedom Run 3.0.

Activity 82.8 SECL

a) Event Name: Mass Plantation Drive @SECL

b) Event Type: External

c) Event Mode: Offline

d) Theme: Action@75

e) Event Photographs:

f) **Event Date:** 26.09.2022

g) **Event Description:** Trees give off oxygen that we need to breathe. Trees reduce the amount of storm water runoff, which reduces erosion and pollution in our waterways and may reduce the effects of flooding. Many species of wildlife depend on trees for habitat. Trees provide food, protection, and homes for many birds and mammals. Tree plantation is significant because it is linked to our basic need for good food to eat and clean air to breathe. Aside from these necessities, they preserve biodiversity, conserve water, preserve soil, and control climate, among other things. On the occasion of Amrit Mahotsav of India, 100 pieces of fruit and medicinal plants were distributed to workers, villagers/common people and officials under Baikunthpur area on 26.09.2021. Along with this, they were encouraged to contribute and aware about the environment and the message was given to plant more and more trees to keep the environment green.

SCCL Report - Azadi Ka Amrut Mahotsav

Week 82 (from 26.09.2022 to 02.10.2022)

Drawing, Essay writing and elocution competitions in schools and colleges on the topic of Freedom struggle -Role of Mahatma Gandhiji

* * *

82nd Week programme of Azadi Ka Amrut Mahotsav was scheduled as " Drawing ,Essay writing and elocution competitions in schools and colleges on the topic of Freedom struggle -Role of Mahatma Gandhiji".

The above programme was organized from 26.09.2022 to 02.10.2022 in SCCL on the occasion of birthday of Mahatma Gandhiji , Father of the Nation.

On the occasion of Gandhi Jayanthi, Drawing, Essay and Elocution competitions were conducted in SC High School, Ramagundam-2 Area. Sri. J.Purushotham, Head Master has addressed the role of Mahathma Gandhiji in India's Freedom Struggle against British Government. He told that Mahatma Gandhi was the top leader of India's independence movement and also the architect of a form of non-violent civil disobedience that influenced the world.

During this momentous period of our history, Gandhiji was undoubtedly the great leader of millions of freedom loving Indians. He transformed the freedom movement to a broad-based mass movement by his policy of non-violence based non-cooperation and civil disobedience movement, and finally, his slogan 'Do or Die' inspired the Quit India movement.

Similarly, the above programme was organized in all areas of SCCL. The teachers and Students along with Officers, Union Leaders have participated in the above programme.

Students participated in essay writing competitions in RG2 area

Students participated in essay writing competitions in Srirampur area
