

Activities carried under Azadi ka Amrut Mahotsav

Week 9 (03.05.2021-09.05.2021)

1. BCCL

Keeping in view of the rapid escalation of COVID-19 cases in Dhanbad, the scheduled BKAM activity could not be undertaken in this week.

In this week, focus was put upon the sanitization of office and hospitals of BCCL so as to put some check on the increase of COVID-19 cases.

2. MCL

Marking India's 75th Anniversary of Independence this year, MCL along with BAIF organized its event of the series of events planned for 'Azadi Ka Amrut Mahotsav', a 75 week-long celebration to mark the 75th years of India's Independence in its operational districts.

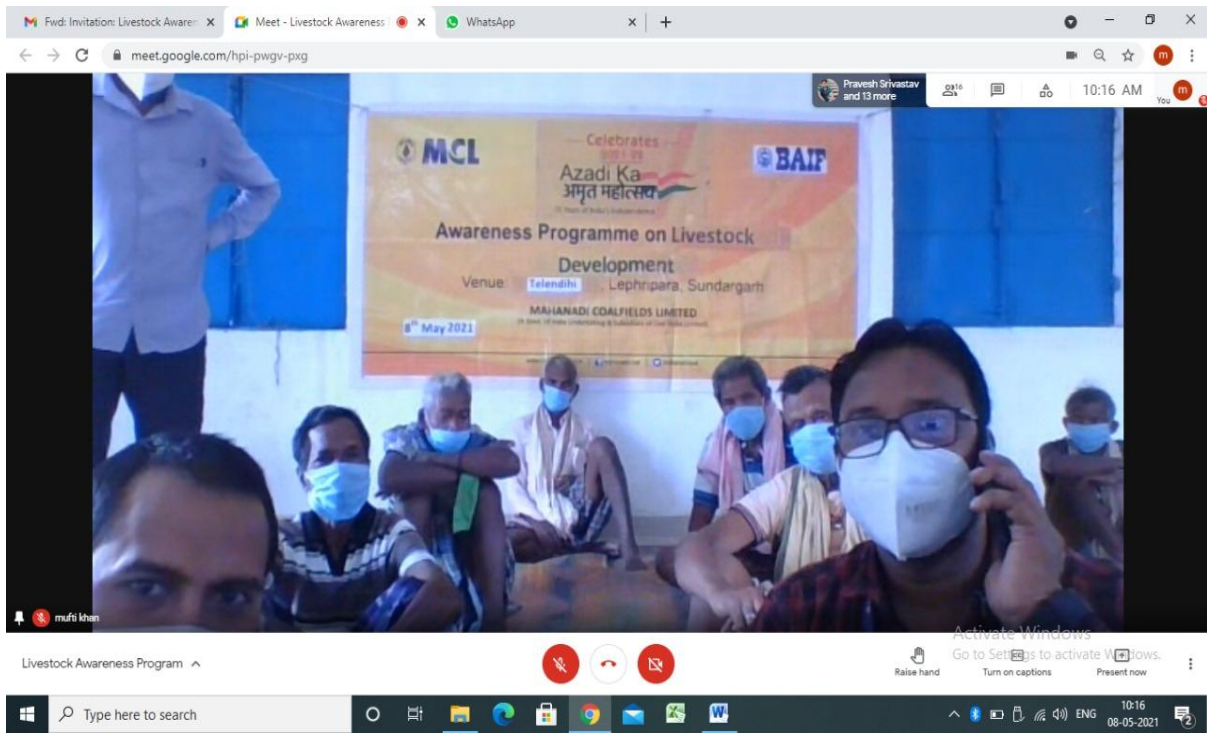

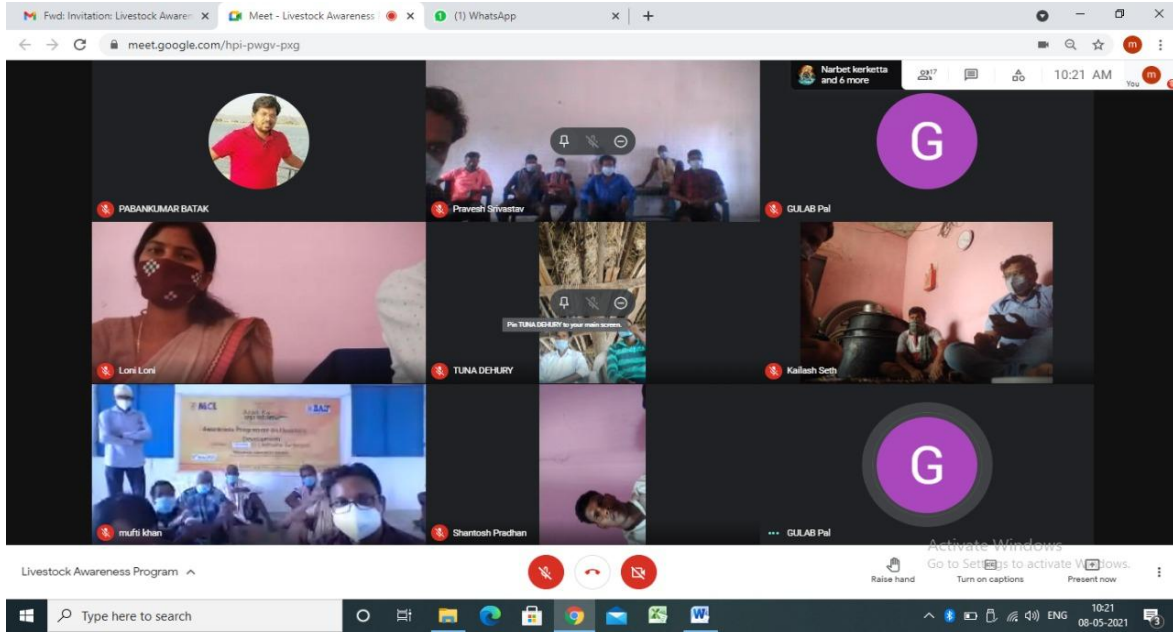

The event organized virtually for the rural masses in project operational clusters of the CCDP-Utthan was aimed for livelihood enhancement through Livestock development. Awareness creation and demonstration on artificial insemination, medication, feed, housing etc. was made. Other emerging technologies such as sex sorted semen were also addressed in the discussion with participants.

BAIF hosted the event which started with briefing about the objective of the event he welcomed the chief guest, Mr. P.K.Chakraborty, GM (CSR), Mr. Arabinda Sahoo, Asst. Manager (CSR), Mr Ajit Majhi, Manager, CSR, MCL, Mr Kedar Dandasena, MCL and all the participant farmers who joined virtually from different cluster areas.

Mr. G.P. Sahu, ACPE (BAIF), briefed the participants on role of livestock in poverty alleviation, income generation and the sustainable model that a family can adopt by getting engaged into livestock activity. He also created awareness on breed enhancement, use of Sorted Semen, feed management for healthy cattle rearing and increasing the herd size.

Veterinarian Dr. Sunil Kumar Dash (BAIF), explained about the improved livestock practices. Dr. Dash explained about various infections and diseases that the large ruminants are vulnerable to and how to avoid them. Discussing about the importance of AI, he explained how a breed enhancement can result into enhanced livelihood management.

Apart from these large ruminant animals' breed enhancement and management, Dr. Dash explained about goat rearing and poultry rearing. Goat and poultry rearing being short income models can be accepted by villagers with less land holding and can get most benefits out of it. Goat and poultry being low investment high output models should be promoted and followed by farmers to cope up better during the lean agricultural periods.

Covid Vaccination to Employees in SCCL

As part of “Azadi Ka Amrut Mahotsav” the 8th celebrations was scheduled for “Sport - (Inauguration of Summer Coaching Camps), but the activity was changed to “Covid Vaccination to Employees in SCCL” as a mass vaccination drive with aim to vaccinate all the employees in the age group of 45-60 years. The change in activity is due to surge in Covid cases and restrictions imposed to prevent its spread.

The program was inaugurated by Sri N. Balaram, Director (Finance, P&P and PA&W). He addressed the employees to get vaccinated at the Vaccination centers established at SCCL hospitals and stay safe from the Covid infection. A web conference was arranged to propagate the activity under “Azadi ka Amrut Mahotsav”. The vaccination centers are visited by Directors, Area General Managers during the activity.
