

Coal India Limited

Brief of AKAM Activities being carried out in CIL and Subsidiaries
Week 91th (28.11.2022-04.12.2022).

Activity 91.1

- a) **Name of the Event:** BCCL strives Nation's growth and ultimately achieving its goal of an Atma Nirbhar Bharat @**BCCL**
- b) **Event Type:** Internal
- c) **Event Mode:** Online
- d) **Theme:** Achievement@75
- e) **Event Photographs:**

- f) **Event Date:** 30.11.2022
- g) **Event description:** BCCL created a new history by achieving its highest coal production since inception at 3.25 Million Tonne in the month of November, 2022. BCCL strives to be the driver of the Nation's growth and ultimately achieving its goal of an Atma Nirbhar Bharat. The coal industry is a vital source of jobs that create positive ripple effects throughout society and our economy. These include the direct employment of nearly 150,000 people and the creation of 3.3 jobs for every job in coal mining, for a total of more than 500,000 jobs. Historically, coal plants have accounted for 70 to 80 per cent of the country's total power generation. This share is estimated to remain above 50 per cent even in 2030.

Activity 91.2

- a) **Name of the Event:** Distribution of water purifiers in govt. schools, Odisha @CMPDIL
- b) **Event Type:** External
- c) **Event Mode:** Offline
- d) **Theme:** Resolve@75
- e) **Event Photographs:**

f) **Event Date:** 29.11.2022

g) **Event Description:** CMPDI RI-VII under its CSR program donated a Fully Automatic with Auto Cut off Portable Water Purification System with Water Cooler to Government Upper Primary School ,RathaSahi , Balipata , Kosla , Dist : Angul on 29.11.2022. Water purification also meets the needs of medical, pharmacological, chemical, and industrial applications for clean and potable water. The purification procedure reduces the concentration of contaminants such as suspended particles, parasites, bacteria, algae, viruses, and fungi. CMPDI RI-VII under its CSR program donated a Fully Automatic with Auto Cut off Portable Water Purification System with Water Cooler to Gopalpur ST & SC Development Government High School ,Gopalpur , Dist: Sundergarh on 30.11.2022. Water filtration removes water impurities and dangerous contaminants such as chlorine, disinfection byproducts and heavy metals such as mercury, lead, and arsenic. At the same time, water filters cleverly ensure that important minerals such as magnesium, fluoride, calcium, and zinc are retained.

Activity 91.3

- a) **Name of the Event:** Discussion on holistic growth of dwellers nearby mine areas of SECL Bhatgaon Area@SECL
- b) **Event Type:** Internal
- c) **Event Mode:** Offline
- d) **Theme:** Resolve@75
- e) **Event Photographs:**

f) Event Date: 29.11.2022

g) Event Description: Under the above programme of “AKAM” on 9th December, 2022 at Bhatgaon Area a discussion session was organized at Area Conference Hall in which Area General Manager, Sri Arvind Kumar, Sub Area Manager, all HOD’s, Area JCC members, Union representatives has taken active participation and given their ideas on Holistic Growth of Dwellers in nearby mine area of SECL, Bhatgaon Area. Some of the important points came out of the discussion is as under :-

1. CSR policy should be reviewed and a percentage of overall CSR amount may be directly given to the area, which can be used for growth and support at nearby villages with the help of village representatives, Area JCC/ Welfare board and local management.
2. Aid may be given to the village schools & Anganbadi kendra for building better infrastructure at villages for holistic growth of children.
3. Providing clean drinking water facilities by installing water ATMs and RO’s at nearby villages.
4. Arranging preventive health check-up camps at nearby villages.
5. Developing sports infrastructure and organizing various sports events for youth of nearby villages.
6. Organizing counseling camps for the young youth and children for career guidance and job orientation.

The discussion session was very fruitful and new ideas have come up for holistic growth of nearby villages.

- a) **Name of the Event:** Vigilance awareness programme@MCL
- b) **Event Type:** External
- c) **Event Mode:** Offline
- d) **Theme:** Resolve@75
- e) **Event Photographs:**

f) **Event Date:** 29.11.2022

g) **Event Description:**

Vigilance Awareness was taken from office to local people. This week Vigilance awareness programme was conducted at Garmunda village of Sambalpur district under VAW-2022 by Vigilance Dept. of MCL. More than 500 villages were administered integrity pledges to fight against corruption. Some of the glimpses of the event. Corruption is not only at the end of receiver but also at the end of giver. If each and every citizen of India especially the uneducated underprivileged are made aware of the fact that giving money for getting our work done faster is also promoting corruption. This unique initiative was started by MCL under Vigilance Awareness Week. Interiority is one thing which will live with us till the time of death rest everything will perish.

Activity 91.6

g) **Event Description:** “CCL KE LAL & CCL KI LAADLI” is a CSR initiative of CCL where meritorious students from all over Jharkhand especially belonging to weaker section of society and CCL command areas are selected for preparing for engineering entrance examination (JEE-Mains/Advanced/other) along with formal schooling, hostel, fooding, test series, medical facilities. Students are enrolled after class X and two years coaching along with other facilities are provided. The scheme started with CCL KE LAL in 2012 and CCL KI LAADLI in 2016, with the expert coaching the student not only topped the school exams but also got admission into prestigious engineering institutes such as IIT, NIT etc.

Provision of Complete setup of playing Badminton (Along with Badminton Court)

As the students are aiming to crack JEE Mains/ Advance, to get admission in prestigious IIT and NITs, they have to study for engineering coaching along with regular schooling. To motivate the budding engineers, sports equipment's (badminton) were distributed amongst the students of CCL KI LAADLI for the first time since 2016. With the provision of complete setup for playing badminton the students of CCL Ki LAADLI can now spend time in playing badminton along with their regular routine of studies, as engaging in sports activities also plays a very vital role in the overall development of a student.

Activity 91.8

- a) **Name of the Event:** Company's 38th Foundation Day@NCL
- b) **Event Type:** External
- c) **Event Mode:** Offline
