Activity 92.2

a) **Name of the Event:** Awareness campaign against the use of Single Use Plastic@CMPDIL

b) **Event Type:** External

c) **Event Mode:** Offline

d) Theme: Resolve@75

e) Event Photographs:

f) Event Date: 09.12.2022

g) Event Description: It takes 1,000 years for a plastic bag to degrade in a landfill. Unfortunately, the bags don't break down completely but instead

photo-degrade, becoming micro plastics that absorb toxins and continue to pollute the environment. Single-use plastic products (SUPs) are used once, or for a short period of time, before being thrown away. The impacts of this plastic waste on the environment and our health are global and can be drastic. Single-use plastic products are more likely to end up in our seas than reusable options. On 09.12.2022 in CMPDI RI-II under Azadi Ka Amrut Mahotsav an awareness campaign against the use of Single Use Plastic conducted at Govt school, Karmatand. Students of class 10 participated in open discussion and expressed their views against the use of SUP. To take this message forward, a cloth bag was distributed among all the teachers of the school.

Activity 92.3

- a) Name of the Event:** Health & Wellness Campaign to be organized for employees/community in nearby villages by KanhanArea@WCL
- b) Event Type:** External

Activity 92.9

- a) Name of the activity :Distribution of Wheelchairs under AKAM
- b) Event Type : External
- c) Event Mode : Offline
- d) Event Theme : Action@75
- e) Event Date : 11.12.2022
- f) Event Photographs :

g) Event Description:

The wheelchair is one of the most commonly used assistive devices to promote mobility and enhance quality of life for people who have difficulties in walking (e.g. a person with spinal cord injuries resulting in quadriplegia or paraplegia, muscular dystrophy, etc). If it has become difficult for people with disability or old age to complete even basic everyday tasks without pain or extreme fatigue, wheelchair assistance may be inevitable. Coal India Limited, in association with the Biddhan Nagar Police Commissionerate, has distributed wheelchairs to the less fortunate in an effort to empower them and enhance their quality of life. A road marking machine, for marking on roads to facilitate navigation for motorists and pedestrians has also been provided by CIL. In addition to providing mobility, an appropriate wheelchair benefits the physical health and quality of life of the users by helping in reducing common problems such as pressure sores, progression of deformities and improve respiration and digestion.

NLCIL
