Sir,

I am directed to refer to Ministry of Coal's communication no. 23015/1/2015-CPD dated 20.03.2015 forwarding therewith the minutes of the Standing Linkage Committee (Long-Term) for Power/Cement/Sponge Iron Sectors held on 12th March and to say that the issue of continuation of tapering linkage subsequent to Supreme Court Judgement on de-allocation of coal blocks beyond 31.03.2015 was deliberated in the SLC (LT) meeting held on 12.03.2015 under Agenda Item No. 3. The recommendation of the SLC (LT) is as under:-

Agenda Item No. 3	<i>Recommendations of the SLC(LT)</i>
<p>Agenda Item No. 3</p> <p>Continuation of tapering linkage subsequent to Supreme Court Judgment on de-allocation of coal blocks – extension beyond 31.03.2015.</p>	<p>The Committee recommended that the supply of coal to those units who were getting supplies on tapering basis on the date of SC Judgment (24.09.2014), should continue to get supplies at the same level of quantity till 30.06.2015 since these are running plants. However, in case supply of coal starts from Schedule – II blocks allocated to fresh allocatees in the current auction process, this dispensation shall cease in respect of the units linked to such coal blocks.</p> <p>The Committee recommended that the decision should apply to all the sectors.</p>

The above recommendation of the SLC (LT) has been approved by the competent authority.

Yours faithfully,
