

F.No.13016/17/2014-CA-I
Government of India
Ministry of Coal

Shastri Bhawan, New Delhi.
Dated : the 16th January, 2015

To,

The Prior Allottee(s) of the Coal Blocks as per the List (Annex.-I)

Subject : Show Cause Notice for delay in development of coal block.

Sir,

I am directed to refer to the Hon'ble Delhi High Court's common order dated 30.10.2014 in W.P (C) No.4653/2014 & CM 9280-81/2014 and 41 other connected matters filed against Government's action of de-allocation and/or imposition/invocation of Bank Guarantee (BG) of the allocated coal blocks where the Hon'ble High Court has, *inter alia*, directed as follows :-

"The aforesaid petitions have been filed inter alia praying for the cancellation of the de-allocation of the coal blocks which were allocated to the petitioners. In view of the decision of the Supreme Court in Manohar Lal Sharma v. The Principle Secretary and Ors.: W.P. (Crl.) No.120/2012, decided on 24.09.2014, no relief for cancelling the de-allocation of the coal blocks can be granted.

The only issue that remains is with regard to invocation of bank guarantees which were furnished by the petitioners for allocation of the coal blocks.

The petitioners contend that the delay in achieving the specified milestones in development of coal blocks were for reasons beyond their control and mostly on account of delays on the part of respondents and/or their agencies. In these circumstances, the petitioners pray that the bank guarantees furnished by them ought to be released. It is further submitted that the guarantees were in the nature of performance guarantees and in view of the de-allocation of coal blocks the invocation of those guarantees would not be justified and the petitioners would be entitled for their release.

The learned counsel for the respondents states that the issue of invocation of bank guarantees furnished by the petitioners (prior allottees) is currently under consideration of the Ministry of Coal, Govt. of India.

In this view, I deem it appropriate that the present petitions be disposed of with the following directions:

That the petitioners would keep alive all bank guarantees that are currently alive in favour of the respondents, for a further period of three months."

2. A similar order has also been passed by the Hon'ble High Court of Madhya Pradesh at Jabalpur on 19.11.2014 in W.P. No.21925 of 2013. Accordingly, the matter was examined in the Ministry in consultation with Ministry of Law & Justice. It was decided to place the matter before the Inter-Ministerial Group (IMG) which would recommend the action to be taken regarding BG on a case to case basis.

3. The IMG in its 28th meeting held on 30.12.2014 has observed that subsequent annulment of coal blocks cannot exempt the prior allottees of the cancelled coal blocks from invocation/deduction of BG because even if subsequently de-allocated. Subsequent development or consequence cannot override the condition precedent or bounden stipulations of allocation of coal blocks. As per the conditions of allocation letter, allocatees were bound to develop the coal blocks within the time period stipulated in the allocation letter and for default, if any, allocatees were liable to paying consequences including damages. The order of Hon'ble Delhi High Court also makes it unambiguously clear that the issue of BG remains alive. The IMG also felt that it was a fact that apart from delays and lapses on the part of the prior allottees, the same might have also been caused due to delay both on the part of agencies of Central Government as well as of the State Governments. Accordingly, the IMG has recommended to issue show cause notice (SCN) afresh to coal block allocatees as to why the BG submitted with the Government should not be deducted for delay in development of coal block until the block was held by the company(ies) and for not adhering to the milestones chart prescribed for block development (**Annex.-II**). The recommendations of IMG have been accepted by the Government.

4. In view of the above, you are hereby called upon to show cause as to why the delay in the development of the coal blocks should not be held as violation of the terms and conditions of the allocation letter, indicating in detail the

reasons for slippage in respect of each milestone and agency responsible for such delay, within a period of three (3) weeks from the date of issue of this show cause notice failing which it would be presumed that your company has no explanation to offer and course of action regarding invocation / deduction of BG would be decided against your company. A copy of your reply to the SCN may also be sent to the "The Coal Controller, 1, Council Street, Kolkata-700001".

Yours faithfully,

[ANURAG KAPIL]
