Your reply vide letter No. TCML/MOC/2013-2014/773 dated 05.02.2014 (Reply of the JV Company) in response to the said notice dated 15.01.2014 in respect of **Tubed** coal block allocated to your company, was placed before the IMG in its 24<sup>th</sup> meeting held on 7<sup>th</sup> and 8<sup>th</sup> February, 2014. IMG noted that the review of **61** coal blocks [including this coal block(s)] allocated to private companies which had not come under production would be undertaken in the context of the 'Statement' submitted to the Hon'ble Supreme Court of India by Ld. Attorney General for India (AGI) wherein the conditions for review were mentioned. Accordingly, the allocatees of these 61 coal blocks were

*"7. TUBED [ALLOCATED TO HINDALCO INDUSTRIES LTD. & TATA POWER COMPANY LTD.]*

*IMG observed that the allocatee has neither obtained EC nor FC Stage-I.*

*IMG further observed that the MoEF in their status report has informed that "FAC after examination of the proposal seeking stage-I FC for diversion of 159.064 hectares of forest land, in their meeting held on 16<sup>th</sup> - 17<sup>th</sup> January 2014 recommended that the user agency may be requested to provide complete documents on settlement of rights under the Forest Rights Act, 2006. Same have been received by the MoEF. Proposal along with additional information received from the user agency will be placed before the FAC in its next meeting scheduled to be held on 13<sup>th</sup> - 14<sup>th</sup> February, 2014."*

*Ministry of Power in their written comments has informed that Hindalco has made an investment of Rs.27 crores and Tata Power has made an investment of Rs.62 crores in their respective end-use plants.*

*However, as on cut-off date of 05.02.2014, neither EC nor FC Stage-I has been obtained. Under the criteria mentioned in the notice, the block is liable for de-allocation.*

*Taking all the above facts into consideration, IMG recommends de-allocation of the block."*
