**Sub: Review of coal blocks by the Inter-Ministerial Group (IMG) in its 24<sup>th</sup> meeting held on 7-8<sup>th</sup> February, 2014-Regarding**

Sir,

I am directed to refer to this Ministry's notice dated **15<sup>th</sup> January, 2014** (copy enclosed) wherein it was decided to review the captive coal blocks

----2/-

allocated to Private Companies for specified end-use based on the recommendation of the Screening Committee, which have not come under production on the basis of specified criteria as mentioned in the notice.

2. Your reply Letter no. MNCCPL/K/CEO/54 dated 03.02.2014 (Reply of the JV Company) in response to the said notice dated 15.01.2014 in respect of **Madanpur (North)** (CH.) coal block allocated to your company, was placed before the IMG in its 24<sup>th</sup> meeting held on 7<sup>th</sup> and 8<sup>th</sup> February, 2014. IMG noted that the review of **61** coal blocks [including this coal block] allocated to private companies which had not come under production would be undertaken in the context of the 'Statement' submitted to the Hon'ble Supreme Court of India by Ld. Attorney General for India (AGI) wherein the conditions for review were mentioned. Accordingly, the allocatees of these 61 coal blocks were issued notice by Ministry of Coal (MoC) on **15.01.2014** requiring them to submit explanation with requisite documents by **05.02.2014** on the basis of which the review would be undertaken. IMG also took into account the written comments of Ministry of Environment & Forests (MoEF) regarding the status of Environment and Forest Clearance and Ministry of Power (MoP) regarding status of end use plants in power sector as well as comments of Government of West Bengal which were received.

3. After due deliberation and taking into account all material facts including your reply *ibid*, IMG recommended **de-allocation** of the coal block allocated to your company. The recommendations of IMG in respect of your coal block is reproduced below:-

**"32. MADANPUR (NORTH) - [ALLOCATED TO ULTRATECH LTD., SINGHAL ENTERPRISES, NAVBHARAT COALFIELDS LTD., VANDANA ENERGY & STEEL PVT. LTD., PRAKASH INDUSTRIES LTD., ANJANI STEEL PVT. LTD. AND CONSORTIUM OF M/S. ISPAT GODAVARI LTD., VANDANA GLOBAL LTD., IND-AGRO SYNERGY LTD., BAJRANG POWER & ISPAT LTD. AND NAKODA ISPAT LTD.]**

*IMG noted one of the allocatees (Prakash Industries Ltd.) has filed W.P. No.6056/2011 before the Hon'ble High Court of Chhattisgarh against the recommendation of IMC of Ministry of Steel. However, prima facie that matter does not hold the party from developing the block.*

*IMG further noted that the MoEF in their status report has informed "Proposal seeking Stage-I FC has not been received by MoEF".*

*IMG also noted that in an earlier review by the Ministry of Coal, the party was issued with a show cause notice against which Madanpur (North) Coal Company Pvt. Ltd. (JV of allocatees) had filed W.P. (C)*

---3/-

No.1935/2013 before Hon'ble High Court of Chhattisgarh at Bilaspur. There is a notice to the respondents in this matter. However, there is no interim or final order in this matter. Consequent upon what has been placed before Hon'ble Supreme Court pursuant where to it was decided to issue notices as explained above, earlier show cause notice has since been superseded. To this extent, the action on the earlier show cause notice has been rendered inconsequential. The notice dated 15.01.2014 sets into motion a de novo process of looking into this matter under specific submission made before Hon'ble Supreme Court to be completed within the stipulated time limit.

IMG observed that since neither EC nor FC Stage-I has been obtained, the block is liable for de-allocation.

**Taking all the above facts into consideration, IMG recommends de-allocation of the block."**

4. The recommendations of IMG have been considered and accepted by the competent authority on 11.02.2014. In the above quoted recommendation, the name of M/s Sunflag Iron & Steel Ltd. was, inadvertently, not mentioned. However, the above recommendations are for all the joint allocatees of Madanpur (North) coal block including M/s Sunflag Iron & Steel Ltd.

5. Accordingly, the **Madanpur (North)** coal block allocated to your company vide this Ministry's letter No. 13016/34/2005-CA-I dated 13.01.2006 is **de-allocated** forthwith. Your company shall not be eligible for allocation of coal block in lieu of the de-allocated coal block.

6. The decision with regard to deduction/forfeiture of Bank Guarantee, where ever applicable, shall be communicated subsequently.

Yours faithfully,

(A. Sanjay Sahay)
