**Sub: Review of coal blocks by the Inter-Ministerial Group (IMG) in its 24<sup>th</sup> meeting held on 7-8<sup>th</sup> February, 2014-Regarding**

Sir,

I am directed to refer to this Ministry's notice dated **15<sup>th</sup> January, 2014** (copy enclosed) wherein it was decided to review the captive coal blocks allocated to Private Companies for specified end-use based on the recommendation of the Screening Committee, which have not come under production on the basis of specified criteria as mentioned in the notice.

2. Your reply No. MIEL/HO-BD/C-04/Rajgamar Dipside/MoC/13016 dated 04.02.2014 in response to the said notice dated 15.01.2014 in respect of **Rajgamar Dipside (South of Pulakdih Nala) (CH.)** coal block allocated to your company, was placed before the IMG in its 24<sup>th</sup> meeting held on 7<sup>th</sup> and 8<sup>th</sup> February, 2014. IMG noted that the review of **61** coal blocks [including this coal block(s)] allocated to private companies which had not come under production would be undertaken in the context of the 'Statement' submitted to the Hon'ble Supreme Court of India by Ld. Attorney General for India (AGI) wherein the conditions for review were mentioned. Accordingly, the allocatees of these 61 coal blocks were issued notice by Ministry of Coal (MoC) on **15.01.2014** requiring them to submit explanation with requisite documents by **05.02.2014** on the basis of which the review would be undertaken. IMG also took into account the written comments of Ministry of Environment & Forests (MoEF) regarding the status of Environment and Forest Clearance and Ministry of Power (MoP) regarding status of end use plants in power sector as well as comments of Government of West Bengal which were received.

3. After due deliberation and taking into account all material facts including your reply *ibid*, IMG recommended **de-allocation** of the coal block allocated to your company. The recommendations of IMG in respect of your coal block is reproduced below :-

**"42. RAJGAMAR DIPSIDE (SOUTH OF PHULIKDIH NALA) -  
[ALLOCATED TO MONNET ISPAT & ENERGY AND TOPWORTH  
STEEL LTD.]**

*IMG noted that neither EC nor FC Stage-I has been obtained.*

*IMG further noted that the MoEF in their status report has informed "Proposal seeking Stage-I FC has not been received by the MoEF. The proposal (for EC) has been received by the MoEF which will be placed in the EAC."*

*[The block was earlier also recommended for de-allocation in the 23<sup>rd</sup> Meeting of IMG. However, before issue of de-allocation letter, this block formed a part of 61 blocks about which 'Statement' was submitted before the Hon'ble Supreme Court and accordingly, this is to be reviewed in terms of the notice dated 15.01.2014 in supersession of earlier course of action.]*

*Therefore, block is liable for de-allocation in terms of Notice given.*

**Taking all the above facts into consideration, IMG recommends de-allocation of the block."**

4. The recommendations of IMG have been considered and accepted by the competent authority on 11.02.2014. However, further action is put on hold in view of the interim order of Hon'ble High Court of Delhi in W.P.(C) 1048/2014 filed by M/s Monnet Ispat & Energy Ltd. & Anr. as pronounced on 12.02.2014.

5. The decision with regard to deduction/forfeiture of Bank Guarantee, where ever applicable, shall be communicated subsequently.

Yours faithfully,

**(A. Sanjay Sahay)**
