Sir,

I am directed to refer to this Ministry's notice dated **15<sup>th</sup> January, 2014** (copy enclosed) wherein it was decided to review the captive coal blocks allocated to Private Companies for specified end-use based on the recommendation of the Screening Committee, which have not come under production on the basis of specified criteria as mentioned in the notice.

2. Your reply vide letter No. RCMEPL/BBSR/MoC/13-14/212 dated 03.02.2014 in response to the said notice dated 15.01.2014 in respect of **Rampia & Dipside of Rampia** coal block allocated to your company, was placed before the IMG in its 24<sup>th</sup> meeting held on 7<sup>th</sup> and 8<sup>th</sup> February, 2014. IMG noted that the review of **61** coal blocks [including this coal block(s)] allocated to private companies which had not come under production would be undertaken in the context of the 'Statement' submitted to the Hon'ble Supreme Court of India by Ld. Attorney General for India (AGI) wherein the conditions for review were mentioned. Accordingly, the allocatees of these 61 coal blocks were issued notice by Ministry of Coal (MoC) on **15.01.2014** requiring them to submit explanation with requisite documents by **05.02.2014** on the basis of which the review would be undertaken. IMG also took into account the written comments of Ministry of Environment & Forests (MoEF) regarding the status of Environment and Forest Clearance and Ministry of Power (MoP) regarding status of end use plants in power sector as well as comments of Government of West Bengal which were received.

3. After due deliberation and taking into account all material facts including your reply *ibid*, IMG recommended **de-allocation** of the coal block allocated to your company. The recommendations of IMG in respect of your coal block is reproduced below :-

**"56-57. RAMPIA & DIPSIDE OF RAMPIA [ALLOCATED TO STERLITE ENERGY LTD., GMR ENERGY LTD., ARCELOR MITTAL LTD., LANCO GROUP LTD., NAVBHARAT POWER PVT. LTD. AND RELIANCE ENERGY LTD.]**

*IMG noted that it was a partly explored block. Further, no PL obtained so far for unexplored area. No EC and FC Stage-I for partly explored area has been obtained.*

*FIR against one the parties (M/s. Navbharat Power Pvt. Ltd.) and one allocatee (Arcelor Mittal) has proposed to surrender its proportionate share of coal block.*

*Ministry of Power in their written comments has informed that Sterlite, GMR and Lanco have made an investment of Rs.8287, 5600 and 4800 crores respectively in their end-use plants. The plants of Sterlite and GMR have been commissioned.*

*Therefore, block is liable for de-allocation in terms of Notice given.*

***Taking all the above facts into consideration, IMG recommends de-allocation of the block.***

4. The recommendations of IMG have been considered and accepted by the competent authority on 11.02.2014. However, further action is put on hold in view of the interim order of Hon'ble High Court of Delhi in W.P.(C) 1043/2014

filed by M/s Rampia Coal Mine & Energy Pvt. Ltd. (JV company of the coal blocks) as pronounced on 11.02.2014.

Yours faithfully,
