Sub: Review of coal blocks by the Inter-Ministerial Group (IMG) in its 24th meeting held on 7-8th February, 2014-Regarding

Sir,

I am directed to refer to this Ministry's notice dated **15th January, 2014** (copy enclosed) wherein it was decided to review the captive coal blocks allocated to Private Companies for specified end-use based on the recommendation of the Screening Committee, which have not come under production on the basis of specified criteria as mentioned in the notice.

2. Your reply vide Letter no. MCMPL/2A/13-14/115 dated 01.02.2014 (Reply of the JV Company) in response to the said notice dated 15.01.2014 in respect of **Mednirai** coal block allocated to your company, was placed before the IMG in its 24th meeting held on 7th and 8th February, 2014. IMG noted that the review of **61** coal blocks [including this coal block(s)] allocated to private companies which had not come under production would be undertaken in the context of the 'Statement' submitted to the Hon'ble Supreme Court of India by Ld. Attorney General for India (AGI) wherein the conditions for review were mentioned. Accordingly, the allocatees of these 61 coal blocks were issued notice by Ministry of Coal (MoC) on **15.01.2014** requiring them to submit explanation with requisite documents by **05.02.2014** on the basis of which the review would be undertaken. IMG also took into account the written comments

of Ministry of Environment & Forests (MoEF) regarding the status of Environment and Forest Clearance and Ministry of Power (MoP) regarding status of end use plants in power sector as well as comments of Government of West Bengal which were received.

3. After due deliberation and taking into account all material facts including your reply *ibid*, IMG recommended **de-allocation** of the coal block allocated to your company. The recommendations of IMG in respect of your coal block is reproduced below :-

"8. MEDNIRAI [ALLOCATED TO RUNGTA MINES LTD. AND KOHINOOR STEEL (P) LTD.]

IMG observed that the allocatee has neither obtained EC nor FC Stage-I.

IMG further observed that the MoEF in their status report has informed "Proposal seeking State-I FC has not been received by the MoEF and for EC project was rejected on 08.02.2011."

IMG also noticed that the Mednirai Coal Mining Pvt. Ltd. and Kohinoor Steel Pvt. Ltd. has filed W.P. (C) No.1197/2013 before the Hon'ble Jharkhand praying, inter alia, for setting aside letter dated 08.02.2011 issued by MOEF rejecting TOR of the petitioner, commanding MOEF to grant necessary clearances and NOC to commence and continuing mining operation and commanding respondents to grant a suitable and/ or similar coal block to the petitioner instead of Mednirai Coal Block. Hon'ble Court has issued notice and granted time to the Respondents to file reply. Since the prayer before the Court itself is for an alternate coal block which is anyway covered by another procedure under the extant rules and instructions, there seems to be no bar on the review of the development of this block.

Under the criteria mentioned in the notice, the block is liable for de-allocation.

Taking all the above facts into consideration, IMG recommends de-allocation of the block.

4. The recommendations of IMG have been considered and accepted by the competent authority on 11.02.2014. Meanwhile, M/s. Kohinoor Steel Pvt. Ltd. vide their letter dated 13.02.2014 submitted a copy of the

interim order dated 06.02.2014 of the Hon'ble High Court of Jharkhand in W.P. (C) No.1197/2013 & I.A. No.784/2014. Keeping in view the order of the Hon'ble High Court of Jharkhand *ibid*, further action in respect of Mednirai coal block is put on hold.

5. The decision with regard to deduction/forfeiture of Bank Guarantee, where ever applicable, shall be communicated subsequently.

Yours faithfully,

[A. SANJAY SAHAY]
