Sub: Review of coal blocks by the Inter-Ministerial Group (IMG) in its 24th meeting held on 7-8th February, 2014-Regarding

Sir,

I am directed to refer to this Ministry's notice dated **15th January, 2014** (copy enclosed) wherein it was decided to review the captive coal blocks allocated to Private Companies for specified end-use based on the recommendation of the Screening Committee, which have not come under production on the basis of specified criteria as mentioned in the notice.

2. Your reply letter No. TSILDEL/666/2014 dated 05.02.2014 in response to the said notice dated 15.01.2014 in respect of **Kotre-Basantpur & Pachmo** coal block allocated to your company, was placed before the IMG in its 24th meeting held on 7th and 8th February, 2014. IMG noted that the review of **61** coal blocks [including this coal block(s)] allocated to private companies which had not come under production would be undertaken in the context of the 'Statement' submitted to the Hon'ble Supreme Court of India by Ld. Attorney General for India (AGI) wherein the conditions for review were mentioned. Accordingly, the allocatees of these 61 coal blocks were issued notice by Ministry of Coal (MoC) on **15.01.2014** requiring them to submit explanation with requisite documents by **05.02.2014** on the basis of which the review would be undertaken. IMG also took into account the written comments of Ministry of Environment & Forests (MoEF) regarding the status of Environment and Forest Clearance and Ministry of Power (MoP) regarding status of end use plants in power sector as well as comments of Government of West Bengal which were received.

3. After due deliberation and taking into account all material facts including your reply *ibid*, IMG recommended **de-allocation** of the coal block allocated to your company. The recommendations of IMG in respect of your coal block is reproduced below :-

"3-4. KOTRE BASANTPUR & PACHMO [ALLOCATED TO TATA STEEL LTD.]

IMG observed that the allocatee has obtained EC but FC Stage-I has not been obtained.

IMG further noted that MoEF in their status report has informed that "Proposal seeking Stage-I FC has not been received by the MoEF."

Thus, in terms of the conditions of the notice, block is liable to be de-allocated.

IMG, however, noted that the allocatee had submitted a letter dated 7th February, 2014 indicating that it had filed a W.P. No. 498 of 2014 before the Hon'ble Jharkhand High Court, inter-alia, challenging the notice dated 15.01.2014. It has been reported that "Hon'ble High Court has been pleased to grant four weeks' time to the respondents to file their counter affidavit and thereafter two weeks to the petitioner to file its rejoinder. The matter has been directed to be listed on 26.03.2014. The Hon'ble Court has also recorded the assurance of the counsel for the Union of India that no coercive steps would be taken against the petitioner till the matter is heard." However, no formal court order has been received. Therefore, a decision may be taken by the Ministry of Coal in this regard including steps for vacation of the court order."

4. The recommendations of IMG have been considered and accepted by the competent authority on 11.02.2014. Meanwhile, M/s. Tata Steel Ltd. vide their letter dated 11.02.2014 submitted a copy of the interim order dated 05.02.2014 of the Hon'ble High Court of Jharkhand in W.P. (C) No.504/2014. Keeping in view the order of the Hon'ble High Court of Jharkhand *ibid*, further action in respect of Kotre-Basantpur & Pachmo coal blocks is put on hold.

5. The decision with regard to deduction/forfeiture of Bank Guarantee, where ever applicable, shall be communicated subsequently.

Yours faithfully,

[A. SANJAY SAHAY]
