- b) **Event Type:** External
- c) **Event Mode:** Offline
- d) **Theme:** Resolve@75
- e) **Event Photographs:**

f) **Event Date:** 21.02.2023

g) **Event Description:** International Mother Language Day is observed on February 21st each year to promote linguistic and cultural diversity and multilingualism. The day was first proclaimed by the General Conference of the United Nations Educational, Scientific and Cultural Organization (UNESCO) in November 1999, and has been observed every year since February 2000.

The objective of International Mother Language Day is to promote linguistic and cultural diversity, multilingualism, and the preservation and protection of all languages, especially endangered ones. The day aims to raise awareness about the importance of linguistic diversity in promoting cultural understanding, peaceful coexistence, and sustainable development and encourage people to take pride in their mother language and to use it in their daily lives, in education, and in other aspects of society.

Mother Language Day was celebrated in BCCL on 21 February 2023. On this occasion, a *KaviSammelan* was organized in BCCL. A total of seven poets participated in the event and recited poems in the *KaviSammelan*.

- d) Theme:** Resolve@75

e) Event Photographs:

f) Event Date: 20.02.2023

g) Event Description:

MCL Organizes Lecture Session on ‘ Building& Managing High Performance Team’:-

As part of Azadi Ka Amrit Mahotsav(AKAM), a guest lecture on ‘ Building & Managing High Performance Team’ was organized at Jagannath Area in Talcher Coalfields in collaboration with MGMI(Odisha) Branch on 26th, Feb '23. An IAF veteran with wide experience in sports management, Wing Cdr. ArjitGhosh(Retd), delivered a lecture.Teams can execute more quickly, make better decisions, solve more complex problems, and do more to enhance creativity and build skills than an individual can. Their use also increases productivity and morale; well-functioning teams can outperform individuals and even other types of working groups.Team performance management is important because it helps build improvement in almost every aspect of the team. It helps team members individually improve concerning their goals, standards and margin of error in work.

Activity 103.9

a) Name of the activity :Extempore competition on topics related to Women Empowerment

b) Event Type : External

c) Event Mode :Offline

d)Event Theme :Ideas@75

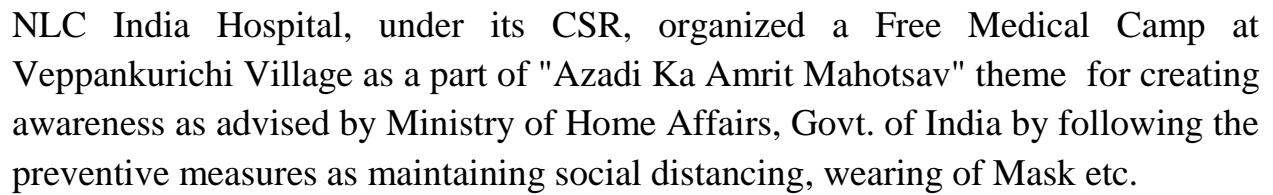

e) Event Date :26.02.2023

f) Event Description : On the occasion of upcoming International Women's Day with the theme gender equity, an extempore competition was organized for female executives of CIL where in they were given on spot topic related to women and women empowerment and was asked to share their ideas on the topic. Prizes were announced and will be given on the day of celebration of women's day at office. Marking was done on the basis of content, originality of ideas, delivery and structuring. Extempore speech is a technique for evaluating and judging a person's speaking ability, the flow of their thoughts, and the way they communicate their ideas. It encourages students to think quickly and creatively. Extempore is an excellent approach to practicing your communication and time management skills.
