

Coal India Limited

Brief of AKAM Activities being carried out in CIL and Subsidiaries
Week 112th (24.04.2023-30.04.2023).

Activity 112.1

- a) **Name of the Event:** World day for safety and health at work program@ECL
- b) **Event Type:** External
- c) **Event Mode:** Offline
- d) **Theme:** Resolve@75
- e) **Event Photographs:**

f) **Event Date:** 26.04.2023

g) **Event Description:** World day for safety and health at work program at ECL celebrated to promote awareness and reducing occupational diseases and accidents worldwide

This day is an initiative of the International Labour Conference (ILC). The main motto was to include “a safe and healthy working environment ’ ‘ in the ILO’s framework of fundamental principle and rights at work.

ECL celebrated this particular day in its various areas to promote safety awareness in workers. Speaking about the program HoDs of these Areas emphasized the importance of safety and health at work. They added ECL has meticulously planned and designed safety procedures, workers education and training programs which have led to a huge decrease in accidents. They added that continuous improvement in knowledge , skill and responsiveness has played a great role in the improvement of ECLs safety performance.

Activity 112.2

a) **Name of the Event:** Mahanadi Coalfields Limited, Odisha@MCL

b) **Event Type:** External

c) **Event Mode:** Offline

d) **Theme:** Resolve@75

e) Event Photographs:

f) Event Date: 30.04.2023

g) Event Description: Week 112 of MCL CSR was full of learning and accomplishments. MCL CSR participated in CSR conclave- Re-engineering CSR jointly organized by CCL and CIL. Total 11 executives participated in the conclave who dealt with MCL CSR, both from areas and headquarters. We presented CSR works through stalls and presentations. Stall presentation was presented through thematic depiction of our work into categories of health, education, skill development, water & sanitation, TBI and sports. Our description was pictorial and well presented. MCL won the best stall award in conclave which added one more shining feather in our upward hat. We are grateful to CCL and CIL for organizing such an enriching event.

Activity 112.3

- a) Name of the Event:** Organization of “Course on computer concepts”@NCL
- b) Event Type:** External
- c) Event Mode:** Offline
- d) Theme:** Resolve@75

e) Event Photographs:

f) Event Date: 30.04.2023

g) Event Description: NCL through Corporate social responsibility under its Area-Bina, started CCC-

"Course on computer concepts". It is being conducted in Gram Panchayat Gharsadi, Sonebhadra.

The program is imparted by **DOEACC Society**, which is a IT ministry affiliated institute. It is CCC+ preparatory course of 80 hours. The course will be imparted both in theoretical and practical mode. For the same books were provided to trainees.

It will cater to the needs of 30 students (15 Boys and 15 girls) including both girls and boys. The motive of starting this is:

- 1) Develop an additional skill in students
- 2) Make them computer savvy
- 3) Provide them competitive edge as majorly all exams at center or state level asks for computer competency.

So, this intervention will help in grooming of students personally and professionally (to which NCL is working progressively through its Kaushal activities).

Activity 112.4

a) Name of the Event: Car Driving Training for Youth of project affected village Nimha@SECL

b) Event Type: External

c) Event Mode: Offline

d) Theme: Resolve@75

e) Event Photographs:

f) Event Date: 28.04.2023

g) Event Description: Car driving training for youth is an essential life skill that can provide independence, freedom, and opportunities for personal and

professional growth. Proper training can equip young drivers with the knowledge and skills necessary to operate a vehicle safely, responsibly, and confidently. It is crucial to emphasize the importance of following traffic rules, respecting other drivers, and maintaining a calm and focused mindset while behind the wheel. Car driving training can also provide an opportunity to educate young drivers on the risks and consequences of distracted driving, drunk driving, and reckless driving. With proper training and guidance, young drivers can become responsible and conscientious drivers, contributing to a safer and more sustainable future for all. Under new initiatives to be taken up for overall development, Jamuna Kotma Area has taken Car Driving Training for Youth of project affected village Nimha. This initiative was taken up under the aegis of ‘**Azadi ka Amrut Mahotsav**’ by SECL Jamuna Kotma Area. A total of 21 unemployed youth from socially marginalized communities of Nimha village were provided Car Driving Training under this **Action@75** initiative. Total duration of the programme was 15 days (4 hours daily). Today this training programme was completed on 28.04.2023.

Activity 112.5

- a) Name of the Event:** Campaign to highlight country's struggle for independence@WCL
- b) Event Type:** Internal
- c) Event Mode:** Offline
- d) Theme:** Freedom Struggle@75

e) Event Photographs:

f) **Event Date:** 29.04.2023

g) **Event Description:** On the occasion of Azadi Ka Amrit Mahotsav, a quiz competition was conducted by Vocational training Center, Pathakhera Area, WCL on 29th April, 2023 for employees to celebrate 75 years of India's independence. The quiz aimed to test the employees' knowledge about India's history, culture, and achievements, and to educate them further on the subject. The quiz covered various topics related to India's independence struggle, prominent freedom fighters, cultural and historical events, and India's progress since independence. The participants showed great enthusiasm and excitement during the quiz, answering the questions with confidence and conviction.

The quiz competition was a fun and engaging way to celebrate India's independence and educate employees about the nation's history and culture. It helped foster a sense of patriotism and pride in the employees for their country and also promoted teamwork and healthy competition.

Activity 112.6

- a) **Name of the Event:** Holding of CSR conference 2023@CCL
- b) **Event Type:** External
- c) **Event Mode:** Offline

- f) Event Photographs :**

g) Brief Description of the Event :

CSR is no longer just a peripheral activity but an integral part of an organization's overall strategy. The current business environment requires organizations to take a more proactive approach towards CSR, to ensure that their actions have a positive impact on society and the environment.

The theme of this year's conclave, "Re-engineering CSR," is an attempt to explore new ideas and approaches towards CSR that can help organizations to be more effective in their CSR initiatives. It is about finding innovative solutions to the challenges faced by organizations in implementing CSR initiatives and identifying new opportunities for collaboration and partnerships that can make a difference.

The event witnessed exciting line-up of speakers, who shared their insights and experiences on various aspects of CSR, including sustainability, social entrepreneurship, community engagement, and employee volunteerism.

The conference provided a meaningful platform for meaningful discussions and exchange of ideas, and that it will help us to explore new ways of thinking about CSR and its impact on society. Stalls depicting various CSR programs were set up and a brain storming session was organized among the participants of the conference. The event was a successful one and witnessed presence of eminent guests from the Ministry of Coal and Dignitaries of CIL.

NLCIL

NLC India Limited (NLCIL) inks MoU with The Nature Conservancy India Solutions Private Ltd. (TNC India) on 26.04.2023 to collaborate on research work related to re-purposing mined-out lands for renewable energy, exploring carbon mitigation potential and carbon markets as a part of "Azadi Ka Amrit Mahotsav" theme for creating awareness as advised by Ministry of Home Affairs, Govt. of India by following the preventive measures as maintaining social distancing, wearing of Mask etc.

NLC India Limited (NLCIL) inks MoU with The Nature Conservancy India Solutions Private Ltd. (TNC India) on 26.04.2023 to collaborate on research work related to repurposing mined-out lands for renewable energy, exploring carbon mitigation potential and carbon markets. The MoU was signed in the presence of Shri. Prasanna Kumar Motupalli, CMD, NLCIL by Shri. Rajasekhara Reddy, ED/Mines, NLCIL and Dr. Annapurna Vancheswaran, MD, TNC India, at Corporate Office, Neyveli.

This MoU further strengthens the endeavour of NLCIL to reduce greenhouse gas emissions and combat climate change in line with India's commitment under CoP 26 for a transition to a low-carbon economy and increased use of renewable energy sources. The SiteRight tool developed by TNC and its partner will help in determining the suitability of the land to be used for Renewable Energy projects.
