

Government of India  
Ministry of Coal  
O/o Nominated Authority  
\*\*\*\*\*

120-F, Shastri Bhawan, New Delhi  
Dated : 08.09.2021

To,

**The Allocattees of operational coal mines  
[As per list enclosed]**

Subject : Review of coal production from operational CMSP coal mines.

Sir / Madam,

The production of coal from the captive mines has been reviewed recently by the Nominated Authority. The review revealed that many allocattees are falling severely behind the schedule of production as per PRC.

2. In view of the rising demand for electricity from thermal power plants in the country, the demand for coal has been increasing from the thermal power plants. The coal blocks were allotted to the captive allocattees to meet the coal requirements for your end use plants.
3. Therefore, in view of the shortage of coal in the country and shortfall of production from the captive coal mines, you are requested to ramp up the production to meet your captive requirements. If production is not increased at the earliest, the Ministry of Coal will be required to take corrective steps to regulate supply of coal from CIL to your end-use plants.
4. Action taken by the allocattees will be reviewed next week.

Yours faithfully,

[ Manish Uniyal ]

Under Secretary to the Government of India
