## With 8.4% Growth Coal Production Touches 222.93 Million Tonne in Q1 of FY 2023-24

Coal India Ltd production goes up by 9.85% to 175.35 MT

Coal Dispatch increases by 6.97% in Q1

Achieving 37.62% growth Coal Stock Position reaches 107.15 MT

Posted On: 03 JUL 2023 3:55PM by PIB Delhi

The Ministry of Coal has achieved substantial surge in overall coal production with a growth of 8.40% in Q1 of FY 2023-24. The cumulative coal production has witnessed a significant increase, reaching 222.93 million tonne (MT) as compared to 205.65 MT in Q1 of FY 2022-23.

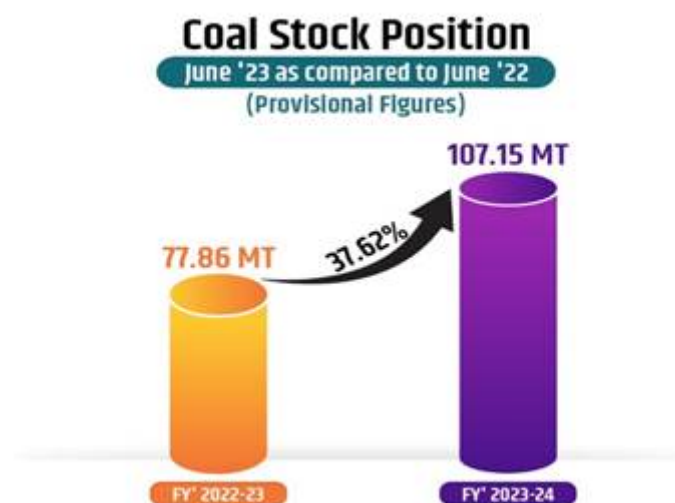

Coal India Limited (CIL) has recorded an impressive growth of 9.85%, with production reaching 175.35MT in FY 2023-24 as compared to 159.63 MT during the same period the previous year. Captive mines /others also attained a growth of 4.74 % touching 30.48 MT in FY 23-24 as compared to 29.10 MT in FY 22-23 during the same period. These accomplishments have contributed to the overall positive momentum in the sector.

Simultaneously, cumulative coal dispatch has shown an upward trend, reaching 239.69 MT (provisional) in Q1 of FY 2023-24, as compared to 224.08 MT in Q1 of FY 2022-23 with a growth of 6.97%. Coal India Limited (CIL) registered 186.21 MT production in Q1 of FY 2023-24 as compared to 176.81 MT in Q1 of FY 2022-23 with a growth of 5.32%. At the same time, SCCL, &aptive/others have recorded 18.07 MT and 35.41 MT in Q1 of FY 2023-24 as compared to 17.30 MT and 29.97 MT in Q1 of FY 2022-23, with a growth of 4.45% and 18.16% respectively. These figures highlight the efficiency of the coal supply chain in ensuring smooth distribution across the country.

Furthermore, the upturn in offtake has resulted in a comfortable coal stock position. The total coal stock as on 30<sup>th</sup> June 2023 has recorded remarkable growth reaching at 107.15 MT (provisional) as compared to 77.86 MT as on 30<sup>th</sup> June 2022, reflecting a growth of 37.62%. This growth indicates the continued efforts to meet rising demand of coal.

The sustained efforts of the Ministry of Coal towards enhancing coal production and ensuring seamless dispatch underscores India's persistence in meeting its energy demands and fostering continuous economic growth. These positive developments position the nation favourably and

contribute to driving the positive trajectory of the country's energy sector, reinforcing the  
commitment towards providing uninterrupted power supply and paving the way for *Aatmanirbhar*  
Bharat.
