Invitation and Notice for Request for Proposal (RFP)

Notice: Request for Proposal (RFP) Seeking Financial support for setting up Coal/Lignite Gasification Projects for Private Sector as well as Government PSUs.

India has one of the world's largest reserves of coal and in order to utilize coal optimally and reduce carbon gas emissions in the economy, Ministry of coal is implementing a new scheme on financial support for coal/lignite gasification projects. The objective of the scheme is to support demonstration of financial and technical viability of gasification projects more widely, accelerate markets for downstream products and create additional value in the economy for coal. The gasification technology shall not only contribute to the growth of the country in terms of domestic product development and import substitution for products like oil, gas, methanol, ammonia, urea and other products, but also ensure diversified use of coal which will ultimately make the country Atmanirbhar and ensure sustainability in coal sector.

The Ministry of Coal invites applications from the private sector as well as government PSUs for "setting up Coal/Lignite Gasification Project". Selection will be based on criteria defined in the RFP. Selected entities will receive financial assistance in accordance with the terms and conditions of the RFP.

The RFP document will be uploaded on the website <https://coal.nic.in/> and on E-Portal. Important information & tentative dates are given in the RFP. Interested Private Sector entities as well as Government PSUs are requested to submit their applications to the RFP on or before the Bid Due Date and time.

The application must be submitted on E-Portal.

1. INTRODUCTION

1.1 Scheme

1.1.1 In pursuance to the National Mission of Coal Gasification and in continuation to the Cabinet approval dated 24 January 2024, the Ministry of Coal is introducing the present Scheme for promotion of Coal/Lignite Gasification Projects of Government PSUs and Private Sector with an outlay of Rs. 8,500 crores (Rupees Eight thousand Five hundred crores) towards incentive for coal/lignite gasification projects under 3 (three) categories (the “**Scheme**”).

- (a) The Scheme is intended to incentivize potential investors, both domestic and overseas, to set up large scale coal/lignite gasification facilities with emphasis on maximum value addition and quality output and achieving pre committed capacity level within a pre-defined time period along with development of indigenous coal gasification technology in order to accelerate markets for downstream products and create additional value in the economy for coal along with establishing indigenous technology for coal/lignite gasification by supporting pilot projects and small-scale product-oriented gasification plants.
- (b) The Scheme envisages setting up of coal/lignite gasification plants in the country by providing financial incentives to all coal/lignite gasification projects to ensure these projects are viable. The Projects are not restricted by location, and Selected Bidders have the flexibility to set up the project anywhere in India. Additionally, they hold the sole authority to decide the downstream product(s) (from the list of eligible products prescribed under the Scheme) they want to produce through coal/lignite gasification.
- (c) The funds are inter-transferable among the three categories, if unused in any category except for to Category-I from Category-II or III., i.e., surplus funds are transferable from Category-I to Category-II or III but not vice-versa. The selection of the entities will be done by the bucket filling method, keeping in view the overall scheme limit of Rs. 8500 crore and the eligible requirements quoted by the bidders.
- (d) Subject to Clause 1.1.5, the financial incentive allocated shall be towards the total cost of the Project. For the purpose of computation of total cost of the Project, cost of land shall correspond to the land required for setting up the Project only (the “**Capex**”), and shall not in any manner, debar/restrict any incentive to be claimed under the new commercial mining regime or any other scheme. The beneficiaries will be eligible for any state and central level incentives or any applicable subsidies that may be provided to the Project in addition to the incentives proposed under this Scheme.
- (e) The Ministry of Coal may facilitate the supply of coal from the nearby coal fields to optimize the cost, however the responsibility of arrangement of the same and other raw materials shall lie with the bidder.
- (f) The manufacturing facility as proposed by the entities would have to be commissioned within a period of 5 (five) years in terms of the contract to be entered into for development of each of the Project(s) amongst the Selected Bidder/Developer and the Authority (the “**Project Agreement**”).

1.1.2 The Scheme towards financial support/incentive/grant (the “**Financial Incentive**”) for promotion of Coal/Lignite Gasification Projects of Government PSUs and Private Sector is classified under 3 (three) categories i.e.,

- (a) **Category I:** Rs. 4050 crores (Rupees Four thousand Fifty crores) provisioned for Government PSUs or JV of PSUs – The Government PSUs or JV of PSUs will submit the proposals/Bids seeking funding assistance to set up coal/lignite gasification projects and 3 (three) projects will be supported by providing lump-sum Financial Incentive of Rs. 1,350 crores (Rupees One thousand three hundred fifty crores) or 15% (fifteen percent) of the Capex, whichever is lower, to each selected PSU’s project. It will encompass projects of any State and Central PSUs within the total incentive amount of Rs. 4050 crores (Rupees Four thousand Fifty crores).
- (b) **Category II:** Rs. 3850 crores (Rupees Three thousand Eight hundred and fifty crores) provisioned for the Private Sector as well as Government PSUs- This category will channel Rs. 3850 crores (Rupees Three thousand Eight hundred and fifty crores) towards the projects being undertaken by both the Private Sector as well as Government PSUs. The Projects under this Category II will be supported within the total incentive amount of Rs. 3850 crores (Rupees Three thousand Eight hundred and fifty crores) by providing lump-sum Financial Incentive (in 2 equal instalments) of 15% (fifteen percent) of the Capex or Rs. 1000 crores (Rupees One thousand crores), whichever is lower, for each of the identified Project(s).

At least one project will be bid out on tariff-based bidding process which is adopted for thermal power plant in power sector. The bidding criteria will be designed in consultation with NITI Aayog. The balance funds will be made available to the eligible Project(s) under this RFP.

- (c) **Category III:** Rs. 600 crores (Rupees Six hundred crores) provisioned for Demonstration Projects (indigenous technology) and/or small-scale product-based Gasification Plants - This category will channel Rs. 600 crores (Rupees Six hundred crores) towards the demonstration projects being undertaken by both the Private Sector as well as Government PSUs to develop indigenous coal/lignite gasification technology along with small scale product-based gasification plants with a minimum Capex of Rs 100 crores (Rupees One hundred crores) or 15% (fifteen percent) of Capex on coal/lignite gasification unit, whichever is lower.

1.1.3 This RFP document is for Category II of the Scheme providing a Financial Incentive of Rs. 1000 crores (Rupees One thousand crore) not exceeding 15% (fifteen percent) of Capex to each selected private sector entity/ PSU’s project, whichever is lower, for each Project for various derivative products as mentioned under the Scheme.

1.1.4 In order to qualify for the lump-sum Financial Incentive, the selected Bidder will have to undertake to set up a manufacturing plant of minimum output of 0.4 million tonnes per annum of either single downstream product or a combination of downstream products, from the list of eligible products prescribed under the Scheme and provided at ANNEXURE-VIII, through coal/lignite gasification in terms of the Scheme.

- 1.1.5** It is, however, clarified that the Financial Incentive will be offered only to those entities that have allocated new/fresh investment in the coal gasification plant. For avoidance of doubt, it is clarified that Projects achieving Financial Closure (as mentioned under s. no. 2.a)1. of ANNEXURE-IX) prior to the issuance/ publication of the RFP will not be eligible for availing Financial Incentive under this Scheme. Additionally, for any Project conceptualized prior to the approval of the Scheme, the capital expenditure incurred before the date of approval of Scheme i.e., 24 January 2024, shall not be considered as a part of the Capex for the purpose of assessment of the required Financial Incentive. Further, the Authority does not commit to any other separate financial support, of any nature whatsoever.
- 1.1.6** The Bidders will be selected based on the Pre-Feasibility Report (the “PFR”) and /or Detailed Project Report (the “DPR”) prepared and approved by respective company Board and Financial Incentive sought by the Bidders in the prescribed format.
- 1.1.7** The lump sum Financial Incentive for the respective Projects will be paid to the selected PSUs in 2 (two) equal instalments as listed below:

- (i) 1st instalment:** After the first disbursement of ‘loan’ by the Bank/ Financial Institution towards the project and 30% (thirty percent) ‘equity contribution’ of the Project. The Financial Incentive will be in the form of reimbursement of the actual capital expenditure incurred towards plant & machinery.

For avoidance of doubt and for the aforementioned criteria, it is clarified that:

- (a) ‘loan’ shall only include disbursement under fund-based facility sanctioned for the said Project; and
- (b) ‘equity contribution’ shall mean contribution in the form of pure equity i.e., paid-up capital. Any other form of contribution in the form of quasi-equity or quasi-debt instruments/shareholders’ loan shall not be considered.

- (ii) 2nd instalment:** After achieving minimum 50% (fifty percent) of the production capacity and 1 (one) year of continued production of the product.

PMA appointed for the purpose will verify the claims of expenditure and accordingly funds will be released.

- 1.1.8** It is hereby clarified that the Selected Bidder/Developer, prior to seeking disbursement of 1st (first) installment of the Financial Incentive from the Authority, shall ensure due and requisite compliance to the Applicable Laws including, inter alia, requisite clearances for itself and its subcontractors, technology partners etc. (as applicable), and submit such clearances to the Authority.
- 1.1.9** It is further clarified that the Financial Incentive provided by the Authority, in respect of the Project(s) undertaken within Category-II of the Scheme, shall be available for the amount allocated for Category-II under the Scheme.
- 1.1.10** If the Authority, at any stage in the Project, finds or comes to know and become satisfied that eligibility under the Scheme and /or disbursement of Financial Incentive have been obtained by manipulation or misrepresentation or by furnishing of false information or the milestones for disbursement of the Financial Incentive have not been achieved or the Financial

Incentive has been diverted/mis-utilized for any reason whatsoever, the Authority reserves the right to seek refund/recover the entire Financial Incentive, along with interest calculated at twice the rate of 3 (three) years SBI MCLR prevailing on the date of disbursement, from the Developer/Selected Bidder and/or cancel the Financial Incentive.

1.2 Brief Description of the Selection Process

Consequently, any omissions, conflicts or contradictions in the Bidding Documents including this RFP are to be noted, interpreted and applied appropriately to give effect to this intent, and no claims on that account shall be entertained by the Authority.

4.5 Correspondence with the Bidder

4.6 Evaluation of Bids

4.6.1 The Authority shall evaluate the Technical Bids and the Bidders who qualify the Technical Bid stage shall become eligible for opening of the Financial Bid. Once the Financial Bid is opened, the Bid Score which shall be the sum of (a), (b) and (c), will be calculated as under:

(a) Plant capacity score: (Proposed plant capacity by the Bidder ÷ Highest plant capacity received among all Bidders) × 50% (fifty percent).

For this purpose, the plant capacity shall mean the output of Syngas in Nm³/hr, which the Bidder shall submit as part of the PFR/DPR and Technical Bid, irrespective of the downstream product(s).

(b) Viability amount score: (Lowest (%) of proposed viability amount sought as a percentage of its total Capex among all Bidders ÷ Proposed viability amount sought by the Bidder as a percentage of its total Capex) × 40% (forty percent).

(c) Sustainability score: Implementation of CCUS technology or zero CO₂ emission in the project - 10% (ten percent).

4.6.2 The Bidder will be selected based on the responses received taking into consideration the Eligibility Parameters and Qualification Criteria are met. The list of eligible products is mentioned under ANNEXURE-VIII of this RFP.

4.6.3 The Bidders shall be ranked in descending order based on their Bid Score under respective major downstream product (product with maximum percentage in a combination of downstream products). However, as far as possible, 1 (one) project for either single downstream product or a combination of downstream products for economies of scale will be taken up, as illustrated below:

Illustration, 6 Bidders submit bids for 2 differentiated major downstream products as under:

Bidder	Major Downstream Product	Bid Score*
<i>Bidder 1</i>	<i>Methanol</i>	99
<i>Bidder 2</i>	<i>Methanol</i>	85
<i>Bidder 3</i>	<i>SNG</i>	90
<i>Bidder 4</i>	<i>SNG</i>	89
<i>Bidder 5</i>	<i>Methanol</i>	96
<i>Bidder 6</i>	<i>Methanol</i>	97

**An illustrative instance for Bid Score calculation, for reference, is provided under Appendix-A hereto.*

The Bidders are ranked in descending order as per their Bid Score as under:

Bidder	Major Downstream Product	Rank
<i>Bidder 1</i>	<i>Methanol</i>	1
<i>Bidder 6</i>	<i>Methanol</i>	2
<i>Bidder 5</i>	<i>Methanol</i>	3
<i>Bidder 3</i>	<i>SNG</i>	4
<i>Bidder 4</i>	<i>SNG</i>	5
<i>Bidder 2</i>	<i>Methanol</i>	6

However, since as far as possible, 1 (one) project for either single downstream product or a combination of downstream products for economies of scale will be taken up, the ranking for the purpose of allocation of Financial Incentive shall be as under:

Bidder	Major Downstream Product	Rank
<i>Bidder 1</i>	<i>Methanol</i>	1
<i>Bidder 3</i>	<i>SNG</i>	2
<i>Bidder 6</i>	<i>Methanol</i>	3
<i>Bidder 5</i>	<i>Methanol</i>	4
<i>Bidder 4</i>	<i>SNG</i>	5
<i>Bidder 2</i>	<i>Methanol</i>	6

Thus, to maximize the diversification of products, the Financial Incentive shall be allocated to Bidder 1, Bidder 3 and Bidder 6 on the basis of their rankings on Bid Score as well as inclusion of diversified products under the scheme as far as possible. The Bidders who have been allocated the Financial Incentive as per the above methodology shall be declared as the selected bidder (the “**Selected Bidder**”).

4.6.4 In the event that two or more Bidders obtain the same Bid Score (the “**Tie Bidders**”), the Selected Bidder shall be identified in the following order of preference:

- (a)** Bidder quoting highest plant capacity;
- (b)** Bidder quoting the lowest viability amount as a percentage of its total Capex;

(c) Draw of lots, conducted by the Authority, with prior notice, in the presence of the Tied Bidders who choose to attend.

4.6.5 The Selected Bidder having UBO outside India will be required to apply for applicable clearances from the Government of India.

4.6.6 After selection and applicable clearances (if required), a Letter of Award (the “**LOA**”) shall be issued, in duplicate, by the Authority to the Selected Bidder and the Selected Bidder shall, within 7 (seven) days of the receipt of the LOA, sign and return the duplicate copy of the LOA in acknowledgement thereof. In the event the duplicate copy of the LOA duly signed by the Selected Bidder is not received by the stipulated date, the Authority may, unless it consents to extension of time for submission thereof disqualify such Bidder and cancel the LOA.

4.6.7 In the event that the Selected Bidder is a foreign entity, the said entity shall have to incorporate a company within the territory of India, prior to the execution of the Project Agreement for implementing the Project.

4.6.9 After acknowledgement of the LOA as aforesaid by the Selected Bidder, it shall execute the Project Agreement within the period prescribed in Clause 1.4. The Selected Bidder shall not be entitled to seek any deviation, modification or amendment in the Project Agreement.

4.6.10 It is clarified that at least one project will be bid out on tariff-based bidding process which is adopted for thermal power plant in power sector. The bidding criteria will be designed in consultation with NITI Aayog. The balance funds will be made available to the eligible Project(s) under this RFP.

4.7 Contacts during Bid Evaluation

The Bids shall be deemed to be under consideration immediately after they are opened and until such time the Authority makes official intimation of award/ rejection to the Bidders.
